#### **Theatre Performance – Robin Hood and his socially distanced Merry Men**

Normally, we would have a Theatre Company visit school before we break up for the February half term, to give the whole school a live performance of a show. Sadly, this year we are unable to do this. However, we have arranged for the whole school to have access to a performance of 'Robin Hood and his socially distanced Merry Men'.

Those children in school will be watching this at 9.30am on Friday 12<sup>th</sup> February and it will be in each class's timetable for this time too. It would be lovely if we could all watch it at the same time and it will feel like we are together as a school, albeit virtually. You can access the show using one of the following links:

**VIMEO (recommended):** <https://vimeo.com/484064378>

**THEATRE WEBSITE:** <https://www.takeawayproductions.com/watch-now>

**Your unique Password for each: Feb142RH**

As part of our subscription to this theatre company, they have given us access to this performance for the remaining month of February, so if you are unable to watch it on 12<sup>th</sup> Feb, you can catch up at any time that is convenient to you. We are able to watch the performance more than once.

#### **Lateral Flow Home Testing Covid Tests for Primary School Staff**

The Government have now provided all Primary Schools with home testing lateral flow kits so that staff can test themselves twice weekly.

From 25<sup>th</sup> January 2021, staff in our school have been taking these tests at home and are reassured that they have tested negative before coming into school.

The whole world opened to me when I  
learned to read.

(Mary McLeod Bethune)
