### **School Impact quotes from children and adults**

*“The opinions of our pupils have led our level and offer of physical activity this year. Through daily whole school challenges, watching relationships grow amongst adults and children of differing ages and the enthusiasm of children excited to find out what’s happening next. This enthusiasm has encouraged the children to become more physically active at home and try new things, taking family time away from a screen and onto a bike!” - Teacher*

*“Monday and Thursday are my favourite days because we get to work with our friends and do Just Dance. I especially like the football song where someone jumps across all of our arms!” – Year 4 pupil*

*“The attitude and behaviour of both the children and staff during all activities was brilliant. The sheer focus and determination of the children is fantastic! It is such a pleasure to work in warm and welcoming establishment. I would love to come back!” – Outdoor and Adventure deliverer*

*“To have our hard work recognised by being nominated for a ‘Primary School Dedication to Sport’ award at the County Durham Sports Awards Evening and then making it to the final made me feel very proud of everything that we do to encourage our children and staff to be physically active every day” – Teacher*

*“Filming the Active 30 video for County Durham Sport was brilliant! I really liked seeing the drone fly high in the air as it filmed us doing the Daily Mile.” – Year 4 pupil*

*“Byerley Park is one of my favourite schools to work it as the children are impeccably behaved and always push to try their very best!” – Skipping Coach, who visited the school for a day to work with the whole school*

*“I love playing on the equipment with my friends. We try to beat each other!” – Year 1 pupil*

*“The willow is my favourite place. I like to play tig and chase my friends.” – Reception pupil*
